announce that Mr. John F. Strain, the gentleman wounded in the shooting affray on election day, died yesterday afternoon about 4 o'clock. He was a native of Donegal Ireland, but was raised in Chareston, S. C. He came to California in 1866, and to White Pine early in the excitement caused by the silver discoveries there. He has been in this camp since January last. He is about 29 years of age. From gentlemen who know him well we learn he was highly esteemed by all his acquaintances, all of whom deeply lament his untimely death. His remains will be interred to-day at 3 o'c'ock p. m., under the auspices of the Meagher Guard, of which company he was a worthy member.

QUIET. - Since the election matters in town have gradually assumed a quieter aspect. The folks seem to have exhausted themselves on election day, while the suspense of the prolonged count seems to have acted as a sedative. A good deal of money has been ventured on the different candidates, and those that have lost are not inclined to be jocose, and the winners have probably not received their money; so their time for laughing has not arrived. On the Democratic side of the house rejoicing is by no means in order, and the Pubs, have so much good fortune to make merry over that they have not had time to realize it.

INCREASING POPULATION. - Though the number of persons who come to Pioche for the purpose of settling here has been increasing for some months, we are informed that the election being over, that the number will be very largely increased. The daily accruing evidence of the value and permanence of our mines has bonvinced all that an era of Continued prosperity is in store for Pioche. This impression is founded upon most substantial grounds and we feel sure that those who cast their fortunes in this region will it dil gent and perseveing have no reason to repent of their choice.

JUSTICE'S COURT.-George Manning, who was concerned in the shooting scrape on the day of election, was brought before Justice Stoutenburgh for examination. There being no complaint made against him he was discharged. Wales, who was also arrested on a charge of participating in the same affair, was discharged. T. O'Brien, charged with a like off-nce, was admitted to bail in the sum of \$500. J. Gleason, arrested on a charge of petty larceny, was discharged, he complaint being withdrawn.

THE FUNERAL of the unfortunate man, Dennis Menning, took place yesterday, The body was followed to the grave by the largest procession we have seen in Pioche. As the long line passed along we could not but feel sincere sorrow, that such an untimely fate should have overtaken two such deserving men-the deceased and his brother—the latter of whom was buried but a few days since, having met his death in the same terrible

THE OFFICE SEEKING THE MAN .- In the past election we at any rate have one instance of this rare occurrence. Our friend Capt. A. D. Rock was elected Jusfriend Capt. A. D. Boss steel Township, tice of the Peace in Bristel Township, he had Nye County, without knowing he had been placed in nomination. Though the office is but a small affair, still the Cap-tain's election is a just compliment to a

THE COUNTING is at length drawing to a close, though we do not expect that it will be finished until some time after we go to press. In another place the result will be found as it appeared at 11 o'clock last night.

RETURNED .- Yesterday we were favored with a cail from Mr. John McNeill, who was formerly Deputy Recorder of the Meadow Valley district.

THIRTY DOLLARS REWARD.-By referring to our advertising columns more

can be learned how the above reward may be obtained. The purest and freshest drugs and medicines are to be had at Burrage's Drug Store, Main street, directly oppo-site Lacour street. o2-1m

The Carson Appeal of November 1st, John Q. Moore was noticed in many of the papers of this State, and the quality of the coal pronounced the best yet found on the coast. Yesterday we interviewed the proprietor, Mr. Moore, who has just returned from the mine, and learned these additional facts: The mine is situated in like county, not far from is situated in Elko county, not far from the Humboldt river, and elevated but little above the water of that stresm. The company have purchased 640 acres of coal land and have plenty of room to work. In sinking the shaft they encountered a large body of water at no great depth, and had to stop until hoisting and pumping works could be put up. We are informed that arrangements are now being made for the purchase and now being made for the purchase and erection of heavy steam works and when completed the company will put on a large force of miners and take out coal for shipment. for shipment.

There is one thing which, perhaps, explains the admirable condition of society in Laramie City. Women vote in Wyoming Territory, and hold office. They vote at the same time and place as the men; and we are told that there is no commotion or confusion at the polls. pect is shown by the men to the women voters, and we are assured that if one should offer the slightest disrespect or insult to a women at the polls, he would be summarily dealt with on the spot. I ought to add that one happy result of prominent place which has been accorded to woman in Laramie has been to entir ly rid the place of drinking saloons, women of questionable character, black-legs, and the whole race of prominent candidates for the prison and the halter.

A U. S. soldier has been barbaronsly punished at Fort Whipple. He was only a day out of the hospital, but for some trivial offence was exposed for four hours to a drenching rain, and lashed to a cart wheel. When untied he was speechl as and has since become insane.
